

Day 6
March 30

Be
Divine...
Serve
Divinity...

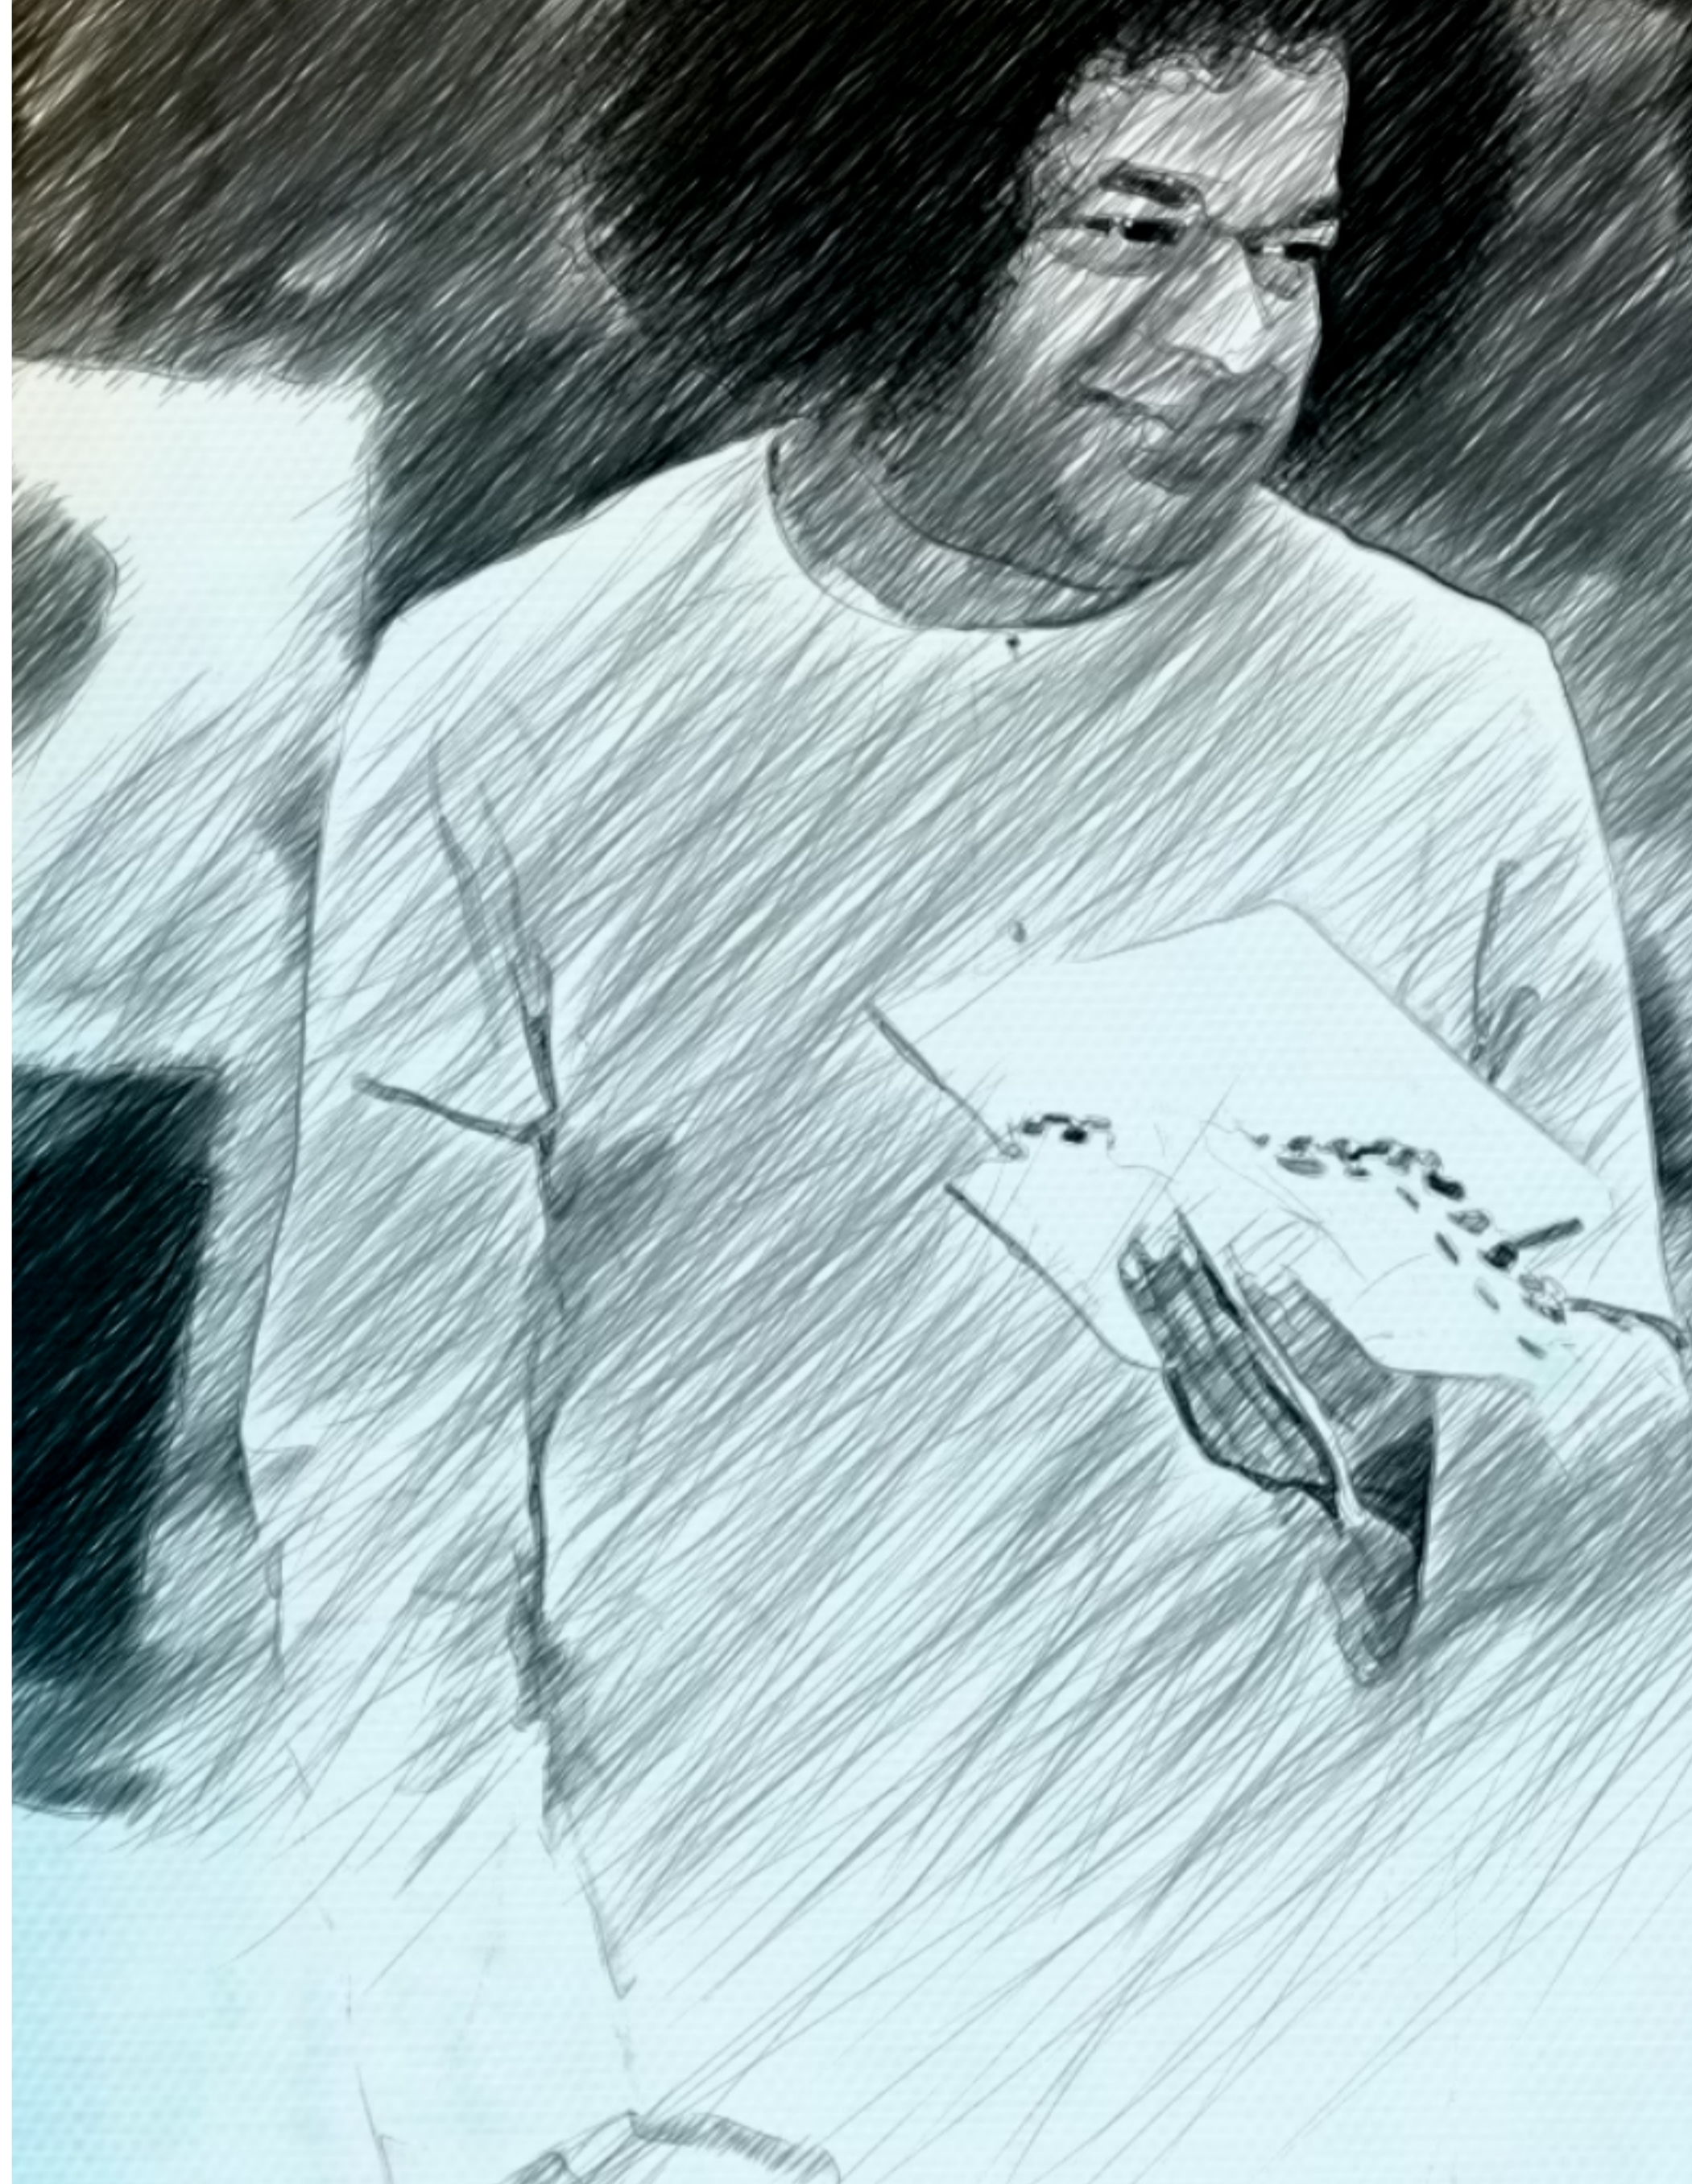

BE DIVINE...SEE AND SERVE DIVINITY

INVOKE, EVOKE, INVOLVE, EVOLVE

FROM EXTERNAL TEMPORARY TO INTERNAL INFINITY

Man must turn away from the material to the Divine. Life is like a block of ice that is continually melting away. Before it melts completely, the truth has to be realised. - Baba

- Bhagawan also instructs that man has to concentrate on his true destination. And, He also imparts illumination as to what is the destination, the goal and the aim of life. As specified by Swami, our destination is the Source from which we came - Bhagawan Himself!
- **Bhagawan also empoweringly explains, “The proper way to experience God is to feel with all your inner being that you are the Divine Itself. That experience will make you feel the presence of the Divine in all beings and in all things.”**
- In true fulfilment of our Beloved Lord's Message, shall we today, proceed to acquaint ourselves with our own divinity and serve divinity to all...completely conscious that we are serving, helping, assisting, reaching out to the same divinity that is within us too?
- When we touch whatever we serve with pure, selfless love it turns divine. A radiance pervades the heart and envelopes the seva rendered as well as the person or persons being served too.
- Let us widen the circle of divine love so as to heighten peace and harmony.
- When we, with a genuine flow of affection - wipe a tear, share a smile, render wholehearted support to a fellow being, even in some minute manner...the joy for both is incomparable.

- We then wonder, just who is receiving and who is giving, whose heart is it that is overwhelmingly overflowing.
- **That is how love works...so let us flow on to - Share A Shower Of Prema And Blossom As Bhagawan's Devoted Premaswarupulara!**
