BE DIVINE...SEE AND SERVE DIVINITY

INVOKE, EVOKE, INVOLVE, EVOLVE

- **His Unparallel Compassion, His Ever So Generous Mercy, His Incomparable Magnanimity, His Equanimity, His Tender Understanding, His Sweet Patience, His Eternal Teachings, His Ancient Wisdom, His Gentle Approach, His Samaanta – Availability to All, His Magnetic Charm, His Boundless Love...**
- Subsequently, should we not get totally involved in attempting to blend these supreme qualities within us?
- Only when we exude these divine qualities can we evolve to a higher way of living and being.
- The choice is always with us whether to stagnate being caught in the rat race or to evolve to a higher way of living and being.
- With every breath we must constantly Invoke, consciously Evoke, get steadfastly Involved and gradually Evolve to -
