

Day 23
April 16

Worship God
In All Beings –
Land, Air
Or Sea

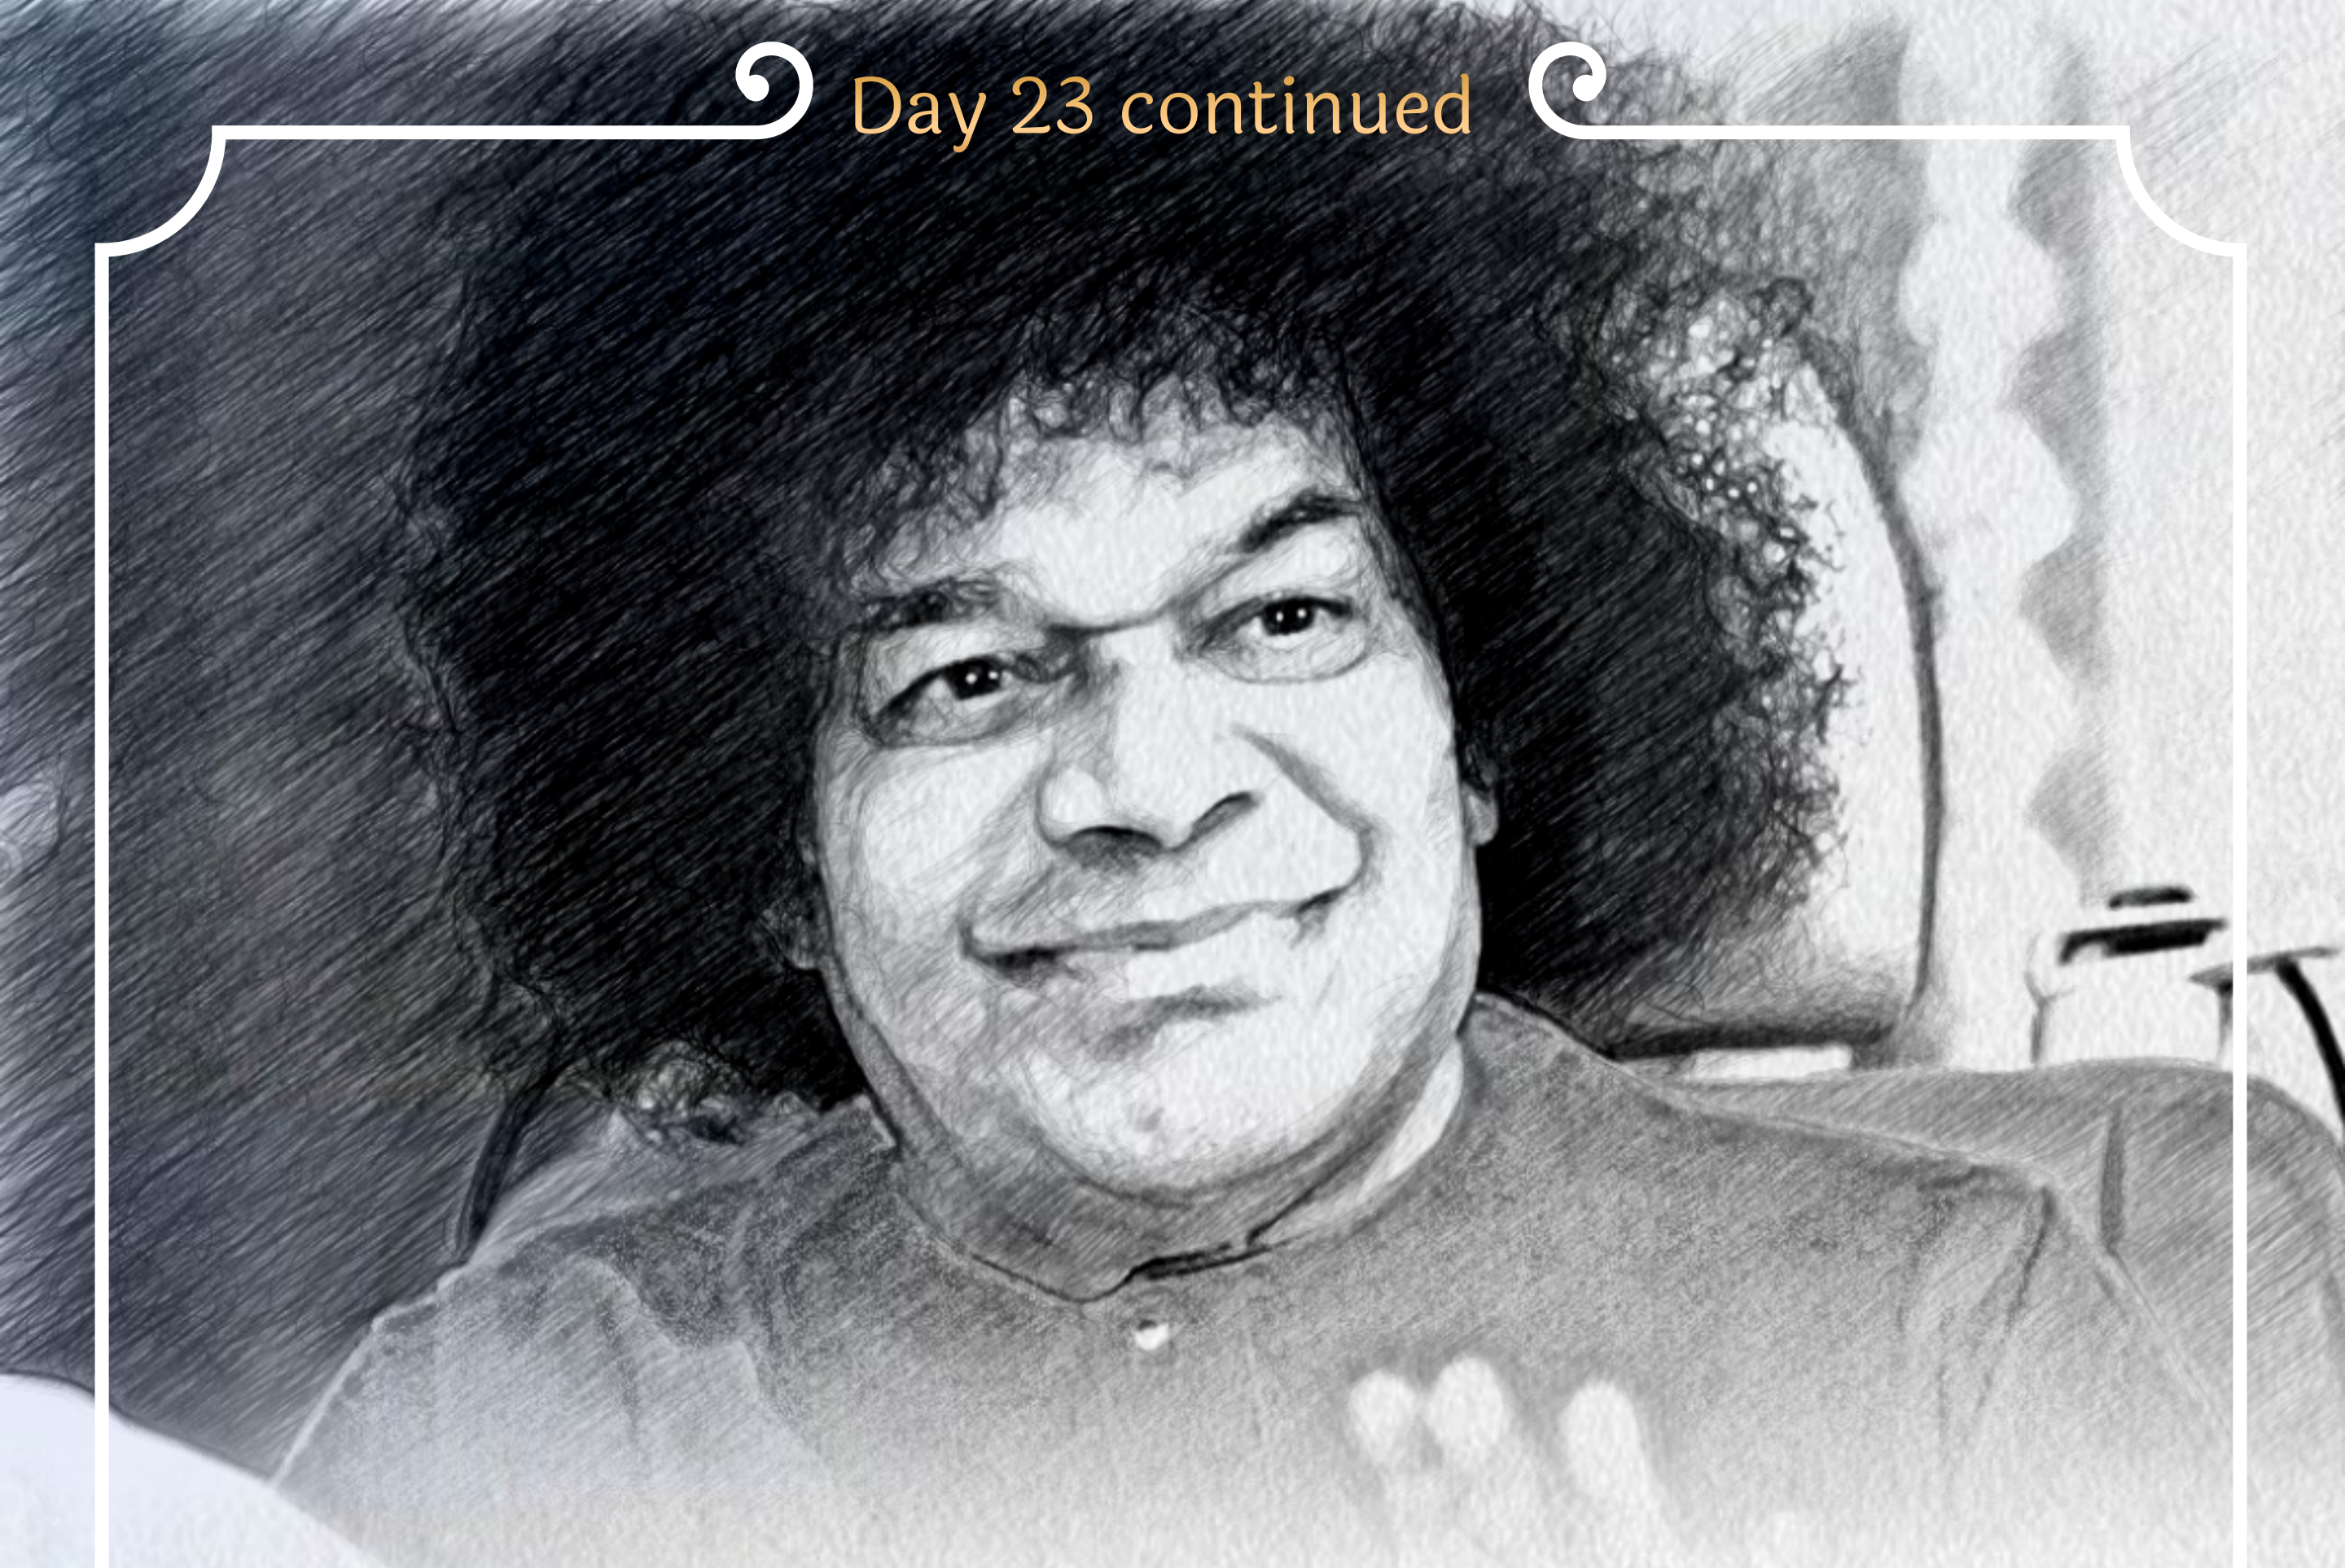

BE DIVINE...SEE AND SERVE DIVINITY

INVOKE, EVOKE, INVOLVE, EVOLVE

FROM EXTERNAL TEMPORARY TO INTERNAL INFINITY

“Compassion towards all beings is the highest spiritual discipline. Man is the crown of Creation; he is the highest among living beings. Therefore, he bears a great responsibility. He has to love other living beings, serve them and save them, for they are his kith and kin, and they too have the Divine Principle as their core. – Baba

- The above Avatar Vani proves that we are surrounded by divinity all the while. How very awe inspiring indeed!
- Then, shall we in all earnestness make an attempt to enhance the reach of our seva, by focussing on the four legged, furry tailed, winged, finned children of the One Divine?
- Choose to adopt an animal at the local zoo by sharing in its upkeep, or do the same with the community dogs or cats and care for their basic needs.
- **What is true Love? Pure, unselfish Love towards all living beings, considered as Embodiments of the Divine, with no expectation of reward, is true Love. – Baba**
- Visit to the animal shelters, most shelters are in constant need of volunteers, food, newspapers to line cages and medical supplies.
- Veterinary camps can be held for cattle and other domestic animals in villages that come under the SSSVIP. Participation in Save Wild/Marine life campaigns.
- Water bowls to be placed in balconies, garden areas, as well as lanes in the vicinity of our homes, near shops, etc.

- **When you love and look after an animal, you help to lift the whole of Creation. - Baba**
- Participation in anti-rabies and sterilisation camps for community cats and dogs. Another option is to turn vegetarian and say no to articles that have animal ingredients in them or have been tested on animals in laboratories – soaps, toothpastes, paint brushes, cosmetics, etc.
- **No experiments on animals. Animals have souls like yourself, and no different. I will be pained, if pain and harm comes to any part of My Universal Body. Realize this truth, and you shall be free from the karmic bonds. I dwell in each individual part of this Brahmand. - Baba**
- Dare to care. Care to dare, courage enough to halt any animal cruelty, a loving service to be then offered at the Lotus Feet.
